James Noyes, D.M.A.

Piano Technician

Diagnosis ~ Tuning ~ Repairs

** Certified Installer of Piano Life-Saver[®] Systems **

212.567.7617 ~ james@jamesnoyes.com

A healthy piano is music to your ears!

A professional saxophonist, teacher, scholar and composer, Dr. James Noyes received his Piano Tuning and Repair Diploma in June 2005, having studied with Kalman Detrich, former piano technician for the Metropolitan Opera, and Executive Director of The Museum of the American Piano (1984-2004). Since then, Noyes has been tuning and repairing pianos in Upper Manhattan as well as Brooklyn and New Jersey. He is also a Certified Installer of *Piano Life Saver[®] Systems* manufactured by Dampp-Chaser.
